

## JOB LISTING

**Job Title:** RN Case Manager, Women's Health

**Category:** Patient Care

**Close Date:** When Filled

**Location:** Women's Health

**Job Type:** Other

**Rate:** Pay Grade 44; \$28.92 hr/DOE

**Description:** The goal of case management is to ensure that women receive timely and appropriate re-screening, diagnostic, and treatment services. Therefore, the position is accountable for assessment, planning, coordination, monitoring, evaluation, and resource development for patients with breast and cervical health needs. These elements represent a cooperative process between the client and provider intended to assure timely re-screening, diagnostic, and treatment services. Assists Program Director in planning, coordinating, and providing culturally appropriate women's health promotion activities within the YKHC service area, coordinating activities with Health Education, and other educational organizations as appropriate. Provides assistance in professional outreach activities for providers to keep informed on breast and cervical health screening updates, technologies, and management of abnormal findings.

**Requirements:** Must have completed a program of education in nursing from an NLN approved institution. Associate of Science in Nursing required, BSN preferred. 3 - 5 years prior experience in nursing. In addition, must be licensed in good standing in the State of Alaska as a Registered Professional Nurse. Current BLS. The successful candidate will be required to pass and maintain competencies for this position. Office machines (i.e. computer, copier, fax, telephone, Microsoft Office)

**Contact:** YKHC Director of Women's Health Luke Vanasse 907-543-6696 or toll free at: 1-800-478-3321 x6696.

*YKHC exercises Federal Law (PL 93-638), which allows American Indian/Alaska Native preference in hiring for all positions*
